

## **A Report on Training and Placement Orientation Program**

Training and Placement orientation programme is conducted by the college every year to give a glimpse and prepare second year students for their final placement. A three days Training & Placement Orientation program was conducted by G H Raison School of Business Management Madhav Nagari, Nagpur from 20<sup>th</sup> December, 2018 to 22<sup>nd</sup> December 2018 in Vivekanand Hall, Shraddha house.

The main aim of the workshop was to acquaint the second year students with the placement procedures. To explain students what are seeing during the time of the interview

Mr. Jaiprakash Palliwal, Dean T&P Raison Group of Institution, delivered the inaugural speech and explained the objectives and needs of the T&P orientation programme.

On first day, Dr. Vijay Phate delivered the speech on motivation factors. He beautifully explained the students if the students don't change with the time, how the external factors impose change. He has even said, how the body language plays an important role in the time of the interview.

The next speaker was from Global Education Ms. Ritika Meshkar helped

students in making their resume. She had given a practice sessions of making their resume. She told the students the importance of knowing their resume well before hand.

The next two days the session was conducted by Mr. Aby Antony from Focus Academy for Career Enhancement. He is a Mechanical Engineer from St. Vincent Palloti College. On the day one session he explained the importance of grooming. What type of clothes should be worn, when the clothes should be ready before interview. The first half on the session was very knowledgeable and has given an extra edge to the second year students before appearing for their final placement.

The second half of the first day session was about resume building. Mr. Aby Antony explained the difference between the resume and the cv. He had helped students to make their career objective by giving practical knowledge. He helped the students in designing their cv for the final placement.

On third day Mr. Aby Antony has discussed with the group discussion technique and interview technique. He has also shown a small video on group discussion techniques. In the video, he has shown how the body language, diversion from the topic etc deduct the points in the group discussion. It was a very knowledgeable session and explained the students the dos and don't in the group discussion.

On the last session of the third day, Mr. Aby Anatomy has prepared the students stress interview. He has given small tips on handling the stress interview. He has even taken group discussion of the students and has explained their areas of improvements.

The three days of Training and Placement orientation programme was a great learning experience and it provided the students with valuable important tips during the interviews, grooming during interview, importance of resume, body language and group discussions.
