### **How can the students benefit from it?**

- Firsthand experiences for the students to design the event, conduct it, execute it and participate in it.
- A single platform to showcase many number talents they have.
- The initial 2 days are for the elimination rounds. The Final rounds are concluded in the last day of the festival. Thus, the students can participate in more than one event seamlessly.
- The final day of the event marks a celebrity performance. It is an enthralling experience.
- Some of the most amazing prizes to be won in the form of cash prizes, trophies and certificates.

Life is a sea to cross through. We as your educators have provided you with all the right instruments to make the boat (Kashti) for the same. But, it is for you to decide on how to make the boat, sail it in the sea and make sure it reaches the coast of success.

Welcome to the boat! Just make sure that you don't stop sailing!
